

VenGo

SMART MACHINES

Your All-in-One Solution for Automated Food & Drink Service

At VenGo, we believe great food and drinks should be accessible, fast, and smart—no matter where you are or what time it is. That's why we're bringing the future of food service to life through intelligent vending technology.

WHY CHOOSE US

24/7 Operation Always Open, Always Ready

ensuring your customers, staff, or guests can access meals and beverages any time of day or night.

Real time Sales & Inventory Tracking

Comes with a cloud-based dashboard system that helps you know what's selling, when to restock and machine status—all remotely.

Multiple Payment Methods

Cash and cashless payments available – convenient via card, mobile, or QR.

Smart Touchscreen

With a simple touch, meals are heated, drinks are prepared and served in minutes.

Labor-Free Operation

You can deliver meals and drinks with zero on-site staff—saving significantly on labor costs.

Custom Branding

Can be designed with your logo, colors, and digital media.

PERFECT FOR

- Offices & Corporate Parks
- Hospitals
- Schools & Universities
- Hotels & Condominium Complex
- Airports & Transit Stations
- Gyms & Recreation Centers
- Entertainment Venues

Vending is no longer just snacks and soda.
